1. BACKGROUND / PURPOSE

With the passage of the *No Child Left Behind Act of 2001* (NCLB), schools and teachers are to be given assistance in helping students perform at high academic levels. In addition, parents now have the option of utilizing Title I Supplemental Educational Services Providers (SESP) if their children are enrolled in any school receiving Title I funding that is in Year 2 of Title I School Improvement, Corrective Action, Planning to Restructure or Restructuring.

For purposes of the Title I School Improvement program, Title I Supplemental Educational Services (SES) are defined as tutoring and other supplemental academic enrichment services that are in addition to instruction provided during the school day and are of high quality, research-based, and specifically designed to increase the academic achievement of eligible children in attaining proficiency in meeting Arizona's Academic Standards, especially in reading and mathematics.

A. WHAT IS ACADEMIC TUTORING?

Academic tutoring:

B. WHO ARE ELIGIBLE STUDENTS?

Eligible students are from low-income families as determined by the Local Educational Authority (LEA) who attend Title I schools that have failed to make adequate yearly progress for three (3) consecutive years or more in the areas of reading, language arts and mathematics.

C. WHAT IS AN ALTERNATIVE TUTORING PROVIDER?

An alternative tutoring provider is a non-profit or for-profit entity that:

4. PER PUPIL SPENDING LIMIT

DETERMINING THE PER PUPIL ALLOCATION FOR SUPPLEMENTAL SERVICE RECIPIENTS

Public law 107-110, Section 1116(e) SUPPLEMENTAL EDUCATIONAL SERVICES

Section 1116(e) (6) Amounts for Supplemental Educational Services

The amount a local educational agency shall make available for supplemental educational services for each child receiving those services under this subsection shall be the lesser of –

- (A) the amount of the agency's allocation under subpart 2, divided by the number of children from families below the poverty level counted under section 1124(c)(1)(A);
- or
- (B) the actual costs of the supplemental educational services received by the child.

The formula amount for (A) above would be: **LEA/District Title 1 Allocation plus any transferability funds divided by the number of children ages 5 through 17 who qualify for Free Lunch.**

The district is limited in how much it can spend to provide supplemental educational services for each eligible student. Specifically, the per pupil spending limit allocated to each district for supplemental educational services is as shown in their Title I allocation notice.

Districts are not required to provide funds for transportation related to supplemental educational services, nor are they required to provide funds beyond the minimum funding allocated under Title I, as set forth in federal law.

Districts are not required to provide space or resources (i.e., computers, copies, and /or instructional staff). If a provider intends to offer services at the school, ***the provider must have planned on-site supervision and a separate agreement with the LEA to use school facilities.***

5. MONITORING AND EVALUATION OF APPROVED PROVIDERS

The purpose of providing Title I SES for economically disadvantaged students in schools that fail to make Adequate Yearly Progress (AYP) is to help them meet Arizona's Academic Standards. Determining whether students who participate in these services are meeting these standards then becomes the paramount evaluation objective. Secondary objectives relate to the degree to which criteria specified for Providers have been met, and their relationships to increasing student mastery of standards.

The ADE, in cooperation with applicable schools/districts, is required to monitor the quality and effectiveness of services offered by approved providers. ADE is required to withdraw approval from providers that fail, for two consecutive years, to contribute to increasing the academic proficiency of students to whom they provide services or that fail to meet any of the other eligibility requirements or assurances (see P.L. 107-110 Section 1116(e)(4)(D)). In order to fulfill these requirements, the ADE has established the following three components:

First, as a part of the Academic Achievement Division's annual on-site monitoring schedule for all Title I districts, ADE will ascertain an evaluation and demonstration of the effectiveness of providers through district records and analysis.

Second, monitoring of approved Title I SESP's will consist of document analysis and interviews. The ADE reserves the right to conduct on-site observations of approved Title I SESP's. Specific evaluation questions will be developed for each of the objectives and protocols for collecting the data.

The following table displays how these data collection methods will be configured for the on-site observations.

ADE may conduct site visits of approved providers at scheduled intervals to determine if providers are in compliance with providing services that are increasing student achievement, provided in a professional manner, and in a safe and legally compliant atmosphere. Monitoring will be conducted through contact with local school districts parent/guardians, and students as well as reports issued by the provider. A violation of any of the provider responsibilities will constitute grounds for immediate removal from the state approved list.

Each provider will be evaluated using parent/guardian, student, and district surveys. Feedback will be solicited and reviewed by ADE to assess whether providers are fulfilling the responsibilities in the manner described in the provider's application and contract agreement signed with each district and parent/guardian.

Third, each approved provider is expected to submit to the ADE, and each school/district with which it contracts, a final written report, including graph, that summarizes the progress of all students provided with supplemental services. This report is due on July 31 of each year. This information will be reviewed, along with the monitoring and evaluation documentation, to determine if the provider will remain on the list of state-approved supplemental educational service providers.

Each Offeror is invited to review the following information:

The Providers' Toolkit for Supplemental Educational Services The SESQ Center developed a *Toolkit* to offer potential or current SES providers practical, step-by-step tips, tools and resources on designing, delivering, marketing, managing, and evaluating an SES program. For a pdf version, use the following web address: <http://www.tutorsforkids.org/ToolkitDownload.asp> . This web site has a variety of additional information on supplemental education services.

Code of Business Conduct and Ethics developed for providers of SES services. Developed with input from Education Industry Association members, these voluntary guidelines for members of the education industry describe best practices for SES tutoring providers and set the benchmark for ethical decision-making.

The Code is available in PDF and MS Word formats at <http://www.educationindustry.org/> . The ADE recommends that all offerors review these best practices that outline the expectations of conduct for approved providers in Arizona. 2. **Inquiries.**
 - A. Duty to Examine. It is the responsibility of each Offeror to examine the entire Solicitation, seek clarification in writing (inquiries), and examine its Offer for accuracy before submitting the Offer. Lack of care in preparing an Offer shall not be grounds for modifying or withdrawing the Offer after the Offer due date and time, nor shall it give rise to any Contract claim.
 - B. Solicitation Contact Person. Any inquiry related to a Solicitation, including any requests for or inquiries regarding standards referenced in the Solicitation shall be directed solely to the Solicitation contact person. The Offeror shall not contact or direct inquiries concerning this Solicitation to any other State employee unless the Solicitation specifically identifies a person other than the Solicitation contact person as a contact.
 - C. Submission of Inquiries. The Procurement Officer or the person identified in the Solicitation as the contact for inquiries may, except at the Pre-Offer Conference, require that an inquiry be submitted in writing. Any inquiry related to a Solicitation shall refer to the appropriate Solicitation number, page and paragraph. Do not place the Solicitation number on the outside of the envelope containing that inquiry, since it may then be identified as an Offer and not be opened until after the Offer due date and time. The State shall consider the relevancy of the inquiry but is not required to respond in writing.

- D. Timeliness. Any inquiry or exception to the Solicitation shall be submitted as soon as possible and at least seven days before the Offer due date and time for review and determination by the State. Failure to do so may result in the inquiry not being considered for a Solicitation Amendment.
- E. No Right to Rely on Verbal Responses. An Offeror shall not rely on verbal responses to inquiries. A verbal reply to an inquiry does not constitute a modification of the Solicitation.
- F. Solicitation Amendments. The Solicitation shall only be modified by a Solicitation Amendment.
- G. Pre-Offer Conference. If a pre-Offer Conference has been scheduled under this Solicitation, the date, time and location shall appear on the Solicitation cover sheet or elsewhere in the Solicitation. Offerors should raise any questions about the Solicitation or the procurement at that time. An Offeror may not rely on any verbal responses to questions at the Conference. Material issues raised at the Conference that result in changes to the Solicitation shall be answered solely through a written Solicitation Amendment.
- H. Persons With Disabilities. Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting the Solicitation contact person. Requests shall be made as early as possible to allow time to arrange the accommodation.

3. Offer Preparation.

- A. Forms: No Facsimile or Telegraphic Offers. An Offer shall be submitted either on the forms provided in this Solicitation or their substantial equivalent. Any substitute document for the forms provided in this Solicitation must be legible and contain the same information requested on the forms unless the Solicitation indicates otherwise. A facsimile, telegraphic, mailgram or electronic mail Offer shall be rejected if submitted in response to requests for proposals or invitations for bids.
- B. Typed or Ink; Corrections. The Offer shall be typed or in blue ink. Erasures, interlineations or other modifications in the Offer shall be initialed in ink by the person signing the Offer. Modifications shall not be permitted after Offers have been opened except as otherwise provided under applicable law.
- C. Evidence of Intent to be Bound. The Offer and Acceptance form within the Solicitation shall be submitted with the Offer and shall include a signature (or acknowledgement for electronic submissions, when authorized) by a person authorized to sign the Offer. The signature shall signify the Offeror/Contractor's intent to be bound by the Offer and the terms of the Solicitation and that the information provided is true, accurate and complete. Failure to submit verifiable evidence of an intent to be bound, such as an original signature, shall result in rejection of the Offer.
- D. Exceptions to Terms and Conditions. All exceptions included with the Offer shall be submitted in a clearly identified separate section of the Offer in which the Offeror/Contractor clearly identifies the specific paragraphs of the Solicitation where the exceptions occur. Any exceptions not included in such a section shall be without force and effect in any resulting Contract unless such exception is specifically accepted by the Procurement Officer in a written statement. The Offeror/Contractor's preprinted or standard terms will not be considered by the State as a part of any resulting Contract.
 - (1) Invitation for Bids: An Offer that takes exception to a material requirement of any part of the Solicitation, including terms and conditions, shall be rejected.
 - (2) Request for Proposals: All exceptions that are contained in the Offer may negatively affect the State's proposal evaluation based on the evaluation criteria as stated in the Solicitation, or result in rejection of the Offer. An Offer that takes exception to any material requirement of the Solicitation may be rejected.
- E. Subcontracts. Offeror/Contractor shall clearly list any proposed subcontractors and the subcontractor's proposed responsibilities in the Offer.
- F. Cost of Offer Preparation. The State will not reimburse any Offeror/Contractor the cost of responding to a Solicitation.

- G. Solicitation Amendments. Each Solicitation Amendment shall be signed with an original signature by the person signing the Offer, and shall be submitted no later than the Offer due date and time. Failure to return a signed copy of a Solicitation Amendment may result in rejection of the Offer.
- H. Federal Excise Tax. The State of Arizona is exempt from certain Federal Excise Tax on manufactured goods. Exemption Certificates will be provided by the State.
- I. Provision of Tax Identification Numbers. Offeror/Contractors are required to provide their Arizona Transaction Privilege Tax Number and/or Federal Tax Identification number in the space provided on the Offer and Acceptance Form.
- (1) Employee Identification. Offeror/Contractor agrees to provide an employee identification number or social security number to the Department for the purposes of reporting to appropriate taxing authorities, monies paid by the Department under this Contract. If the federal identifier of the Offeror/Contractor is a social security number, this number is being requested solely for tax reporting purposes and will be shared only with appropriate state and federal officials. This submission is mandatory under 26 U.S.C. § 6041A.
- J. Identification of Taxes in Offer. The State of Arizona is subject to all applicable state and local transaction privilege taxes. All applicable taxes shall be included in the pricing offered in the Solicitation. At all times, payment of taxes and the determination of applicable taxes are the sole responsibility of the Contractor.
- K. Disclosure. If the firm, business or person submitting this Offer has been debarred, suspended or otherwise lawfully precluded from participating in any public procurement activity, including being disapproved as a subcontractor with any Federal, state or local government, or if any such preclusion from participation from any public procurement activity is currently pending, the Offeror/Contractor shall fully explain the circumstances relating to the preclusion or proposed preclusion in the Offer. The Offeror/Contractor shall include a letter with its Offer setting forth the name and address of the governmental unit, the effective date of this suspension or debarment, the duration of the suspension or debarment, and the relevant circumstances relating to the suspension or debarment. If suspension or debarment is currently pending, a detailed description of all relevant circumstances including the details enumerated above shall be provided.
- L. Solicitation Order of Precedence. In the event of a conflict in the provisions of this Solicitation, the following shall prevail in the order set forth below:
- (1) Special Terms and Conditions;
 - (2) Uniform Terms and Conditions;
 - (3) Statement or Scope of Work;
 - (4) Specifications;
 - (5) Attachments;
 - (6) Exhibits;
 - (7) Special Instructions to Offeror/Contractors;
 - (8) Uniform Instructions to Offeror/Contractors;
 - (9) Other documents referenced or included in the Solicitation.
- M. Delivery. Unless stated otherwise in the Solicitation, all prices shall be F.O.B. Destination and shall include all delivery and unloading at the destination(s).

4. Submission of Offer.

- A. Sealed Envelope or Package. Each Offer shall be submitted to the submittal location identified in this Solicitation. Offers should be submitted in a sealed envelope or container. The envelope or container should be clearly identified with name of the Offeror/Contractor and Solicitation number. The State may open envelopes or containers to identify contents if the envelope or container is not clearly identified.
- B. Offer Amendment or Withdrawal. An Offer may not be amended or withdrawn after the Offer due date and time except as otherwise provided under applicable law.

- C. Public Record. All Offers submitted and opened are public records and must be retained by the State. Offers shall be open to public inspection after Contract award, except for such Offers deemed to be confidential by the State. If an Offeror/Contractor believes that information in its Offer should remain confidential, it shall indicate as confidential, the specific information and submit a statement with its Offer detailing the reasons that the information should not be disclosed. Such reasons shall include the specific harm or prejudice which may arise. The State shall determine whether the identified information is confidential pursuant to the Arizona Procurement Code.
- D. Non-collusion, Employment, and Services. By signing the Offer and Acceptance Form or other official contract form, the Offeror/Contractor certifies that:

(1) The Offeror/Contractor did not engage in collusion or other anti-competitive practices in connection with the preparation or submission of its Offer; and

(2) The Offeror/Contractor does not discriminate against any employee or applicant for employment or person to whom it provides services because of race, color, religion, sex, national origin, or disability, and that it complies with all applicable Federal, state and local laws and executive orders regarding employment.

5. Evaluation.

- A. Unit Price Prevails. Where applicable, in the case of discrepancy between the unit price or rate and the extension of that unit price or rate, the unit price or rate shall govern.
- B. Prompt Payment Discount. Prompt payment discounts of thirty (30) days or more set forth in an Offer shall be deducted from the Offer for the purposes of evaluating that price.
- C. Late Offers. An Offer submitted after the exact Offer due date and time shall be rejected.
- D. Disqualification. An Offeror (including each of its principals) who is currently debarred, suspended or otherwise lawfully prohibited from any public procurement activity shall have its Offer rejected.
- E. Offer Acceptance Period. An Offeror/Contractor submitting an Offer under this Solicitation shall hold its Offer open for the number of days from the Offer due date that is stated in the Solicitation. If the Solicitation does not specifically state a number of days for Offer acceptance, the number of days shall be one hundred-twenty (120). If a Final Proposal Revision is requested pursuant to a Request for Proposals, an Offeror/Contractor shall hold its Offer open for one hundred-twenty (120) days from the Final Proposal Revision due date.
- F. Waiver and Rejection Rights. Notwithstanding any other provision of the Solicitation, the State reserves the right to:
- (1) Waive any minor informality;
 - (2) Reject any and all Offers or portions thereof; or
 - (3) Cancel a Solicitation.

6. Award.

- A. Number or Types of Awards. The State reserves the right to make multiple awards or to award a Contract by individual line items or alternatives, by group of line items or alternatives, or to make an aggregate award, or regional awards, whichever is most advantageous to the State. If the Procurement Officer determines that an aggregate award to one Offeror/Contractor is not in the State's best interest, "all or none" Offers shall be rejected.
- B. Contract Inception. An Offer does not constitute a Contract nor does it confer any rights on the Offeror/Contractor to the award of a Contract. A Contract is not created until the Offer is accepted in writing

by the Procurement Officer's signature on the Offer and Acceptance Form. A notice of award or of the intent to award shall not constitute acceptance of the Offer.

- C. Effective Date. The effective date of this Contract shall be the date that the Procurement Officer signs the Offer and Acceptance form or other official contract form, unless another date is specifically stated in the Contract.

7. **Protests.** A protest shall comply with and be resolved according to Arizona Revised Statutes Title 41, Chapter 23, Article 9 and rules adopted thereunder. Protests shall be in writing and be filed with both the Procurement Officer of the purchasing agency and with the State Procurement Administrator. A protest of a Solicitation shall be received by the Procurement Officer before the Offer due date. A protest of a proposed award or of an award shall be filed within ten (10) days after the protester knows or should have known the basis of the protest. A protest shall include:

- A. The name, address and telephone number of the protester;
- B. The signature of the protester or its representative;
- C. Identification of the purchasing agency and the Solicitation or Contract number;
- D. A detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and
